WELCOME

Let's plan your private event

Thank you for considering Catchin' Up Pub. Our cozy, vibrant space is made for bringing friends, family and colleagues together, and for the whole night it's yours: our food, our drinks, our games and our team, built around your celebration.

How booking works

1

Inquiry: tell us your date, time, number of guests and occasion.

2

Proposal: we send rates and options for your event.

3

Accept and Statement of Account: tell us which option you choose, and we confirm your date and send your SOA to sign. A pencil booking holds the date for 24 hours.

4

50% down payment: this secures your date and time.

5

Advance order: send your food and drinks selections so we're ready on the day.

Two ways to book

OPTION 1

Minimum consumable

Book the venue with a minimum consumable, then choose anything you like from our food and drinks menus. Best if you know exactly what your group loves.

OPTION 2

Packages per guest

Choose one of our ready-made menus, priced per guest for your exact headcount. Swap a dish if you like, and that's it. Best if you want it easy.

Both options are billed on the same minimum consumable for your date. A package's total counts toward it.

OPTION 1

Minimum consumable rates

Exclusive use of Jupiter Street for up to 42 guests for 4 hours. Your consumable covers food and drinks from our menus, and you choose everything.

Frequently asked questions

What times can we book?

Afternoon 1–5 PM or evening 7–11 PM. We reset the venue between 5 and 7 PM. Extra hours are possible when the next slot is free.

What's the difference between Option 1 and Option 2?

Option 1 is a minimum consumable: you order anything from our menus. Option 2 is a ready-made package priced per guest. Both count toward the same minimum for your date.

Can we order extra on top of a package?

Yes. Extra food and drinks are charged at menu prices and count toward your minimum.

Is service charge included?

No. A 10% service charge is added to the food and drinks consumed. Menu prices already include VAT.

Is the down payment refundable?

No, but it can be moved to another date if you tell us at least 7 days before your event.

What if fewer guests come?

Option 2 is billed on the guest count in your advance order. For Option 1, the minimum consumable still applies.

What if more guests come?

Extra guests are charged at the same rate per guest, and we'll add dishes from the regular menu.

Can we extend?

Yes, if arranged before your event date. On the day, it depends on approval and on the bookings after yours.

Can we bring our own cake, lechon or drinks?

Pastries are free to bring. Lechon has a ₱300-per-kilo corkage, and bottles have corkage of ₱500–₱1,000.

Can we take leftovers home?

Yes, in take-home boxes at ₱50 each.

Do Senior Citizen and PWD discounts apply?

Yes, 20% off the guest's own share with VAT removed. Please bring a valid ID.

Is there a holiday rate?

Yes. From 1 to 14 December, minimum consumables for both slots are 20% higher.
